Individual Championships 2024-25

First Round and Subsidiary Championships Results

The 16 competitors listed immediately below have qualified to shoot in the final Knock-Out stage of this season's LB TSA Open Championship which will be held in the range of Balerno & Currie RC on **Saturday 5th April 2025 commencing 1.30pm. All competitors MUST report by 1.15pm at the latest** when the draw for the first-round matches will take place. All shooting will take place on eight of the club's Meyton electronic targets.

Please advise the organiser if any competitor from your club is unable to attend so that a reserve can be invited. It would also be useful to know of those who can confirm their attendance in advance.

The competition will be shot on a knock-out basis. Each round will be shot over twenty shots, all fired in one detail. Any ties will be decided firstly by countback in 10-shot strings and then by counting the number of 10s, the number of 9s etc over the two cards shot followed by counting the number of 10.9s, 10.8s etc over the two cards shot. Firing points will be allocated by random draw in each round.

Please make the following special conditions known to all the qualifiers in your club: No practice will be allowed on the range prior to the final. Sighters will be allowed on the first round and a maximum of 5 shots may be fired. However, should any competitor draw a Bye in the first round they shall be given the choice of either shooting in the first round with sighters (effectively a practice) or having sighters in the second round. If an elimination round takes place (see below) then no sighters are allowed in the KO stage.

If fewer than 16 but 12 or more finalists attend then randomly allocated Byes will be given to the unfilled places in the draw. If more than 8 but fewer than 12 finalists attend then an elimination round will take place consisting of twenty shots (in one detail) and the lowest scorers will drop out leaving 8 to compete in the knock-out stage. If fewer than 8 attend then random Byes will be given to the unfilled places in the round of 8 draw. If exactly 8 attend, then the round of 8 will proceed with no Byes.
